Weigh-in time is established as 8:30AM CST. Start time will be 9:15am CST.

A. Items needed: Chalkboard, numbers, and shaker bottle, sufficient blank bracket sheets for each weight class and coach.

B. Follow the conduct of tournament recommendations in the official IHSAA wrestling rules – rule 10.

C. Each coach is to prepare a complete individual record of his wrestlers to be seeded including opponents' names, schools, and match scores.

D. Criteria for determining seeded wrestlers are as follows:

1. 20 minutes (maximum) per weight class for discussion. If no agreement has been reached, the seeding chairperson directs that seeding be accomplished by lot in that particular weight class.
2. Head to head competition. If the individuals have wrestled each other more than once, the overall record prevails. When the overall record is even, the result of the latest match takes preference.
3. Record against common opponents.
4. A returning champion or runner-up in the same weight class.
5. A contestant with the best overall record within the conference in that weight class. Determination of best record to be by a **.500 record or better** with a minimum of three (3) decisions required. In the event of a percentage tie, the contestant with the largest number of victories prevails.
6. A contestant with the best overall record.
7. A seeded contestant shall have the same opportunity to draw for a bye as other contestants in his bracket.

Note: Each seeded position is to be done separately; i.e., after the No. 1 seed is determined, the procedure for determining the No. 2 seed starts with the criteria No. 2 (above) and down the list until that seed is completed. This format is to be followed for each seeded position. The margin of victory is not a determining factor. A win is a win and a loss is a loss.

8. In the event that a seeded wrestler is replaced the IHSAA sectional guidelines for replacing a seeded wrestler will be followed. The term “last seeded wrestler” will be the unseeded wrestler on the highest numbered line (7-6-3-2).

## BIG 8 CONFERENCE

## ALL - CONFERENCE SELECTION CRITERIA

(REVISED - JUNE 2010)

BOYS' CROSS COUNTRY - FOOTBALL - BOYS BASKETBALL - WRESTLING - BOYS' TENNIS  
BOYS' TRACK - BASEBALL - BOYS' GOLF - BOYS' SWIMMING - BOYS' SOCCER

GIRLS' CROSS COUNTRY - VOLLEYBALL - GIRLS' BASKETBALL - GIRLS' TRACK - GIRLS' TENNIS  
GIRLS' SWIMMING - SOFTBALL - GIRLS' SOCCER<sup>(1995)</sup> - GIRLS' GOLF<sup>(1995)</sup>

All Big 8 Conference head coaches are required to attend a mandatory all-conference selection meeting for their sport with the exception of Boys' and Girls' Golf, Cross Country, Swimming, Track and Wrestling which determine all - conference team members based upon conference tournament results. All - conference selection meetings will be held in a central location. Sports that select all - conference team members during their district meetings are exempt from the central meeting location requirement. (2/2007)

Cross Country - Boys and Girls: 10 members (6/1993) (6/1998)

The first ten finishers in the conference meet are to comprise the All-Conference team, but in the case of injury/hardship to a worthy athlete, preventing his/her participating in the conference meet, the head varsity CC coaches may add such athlete(s).

Football: Offense - 13 members - Defense - 11 members

The offense will consist of one center, two guards, two tackles, one tight end, one quarterback, three backs and one receiver or two backs and two receivers, one kicker, and one punter (Total 13).

The defense will consist of four down linemen, four linebackers, and three defensive backs (Total 11).

The first place team in the conference receives eight nominations. Second place - 7; 3rd place - 6; 4th place - 5; 5th place - 4; 6th place - 3; 7th place - 2. An eighth place team would receive one nomination.

In addition to the allotted nominations, each team earns an additional nomination per conference win.

In case of a tie, teams get the number of nominations of the place they tie for.  
(Example: Tie for 2nd - teams get seven nominations)

Each head coach must cast his vote for a player at each position. He may not vote for his own players. The player receiving the greater number of votes is the all-conference selection.

In case of tie votes, the following tiebreakers will be used:

- A. A ballot is taken among the head coaches, and the coaches of the players involved in the tie do not vote.
- B. If the ballot still remains a tie, the second method for breaking the tie is the records of the players' teams in the conference. The player whose team has the better conference record would be selected all-conference.
- C. If there still is a tie, the third tie breaker is head to head competition - whose team won when they played each other. The player on the winning team is selected all-conference.

## BIG 8 CONFERENCE

### Volleyball: 12 members (6/1993)

Each coach may nominate from his/her own team, maximums as follow (11/8/95): 1<sup>st</sup> place - 6; 2<sup>nd</sup> place - 6; 3<sup>rd</sup> place - 4; 4<sup>th</sup> place - 4; 5<sup>th</sup> place - 3; 6<sup>th</sup> place - 3; 7<sup>th</sup> place - 2; 8<sup>th</sup> place (if applicable) - 2.

Nominating ballots must be returned to the volleyball chairperson within three days of the last conference match. Nominating ballots may include such individual statistical information on nominees as compiled by the respective coaches and submitted to the chairperson (3/1991).

From the nominations received from the coaches, the chairperson will make up the final ballot. Each coach then will vote for 12 players not on his/her team numbering them in order of preference. Twelve points will be awarded the No. 1 choice; 11 points the No. 2 choice, etc. The final ballots will be tabulated, and the top 12 point winners will comprise the all-conference team.

### Wrestling: 16 members (14+2) (3/1996)

The all-conference team will include all individual weight class champions (14) plus a possible two extra individuals. One extra wrestler will be nominated and voted upon at the conclusion of the Big Eight Conference Wrestling Tournament. The second wrestler may be nominated in case of injury or illness to a worthy athlete that prevented him from competing in the conference meet. All coaches will have one nomination plus one vote. A coach may not vote for his own wrestler. The wrestler with the greatest number of votes will be named all conference. In case of a tie vote the following tiebreaker will be used:

- a. A ballot is taken among the head coaches, and the coaches of the wrestlers involved do not vote.
- b. If the ballot still remains in a tie, the second method of breaking the tie is the individual wrestler's record in conference matches.
- c. If there still is a tie, the third tie breaker is head to head competition. Whose team won when the two teams wrestled each other? The wrestler on the winning team is selected All- Conference.

### Tennis - Boys and Girls : 10 members (6/99)

In a post-season meeting, coaches from each school will determine the All - Conference team.

- a. A total of ten players will be selected All-Conference.
- b. Each head coach (or his designee) present may nominate up to five (5) players.
- c. Season data on each nominated player must be available for all coaches in attendance.

## BIG 8 CONFERENCE

### **Track - Boys and Girls: All blue ribbon winners + 2 (6/1984)**

The all - conference team will include all individuals winning blue ribbons (individual events and relays\*), The extra “2” will be utilized if there is a tie, if two individuals break a conference record, and/or in case of injury to a worthy athlete, preventing his/her completing action in the conference meet.

\*Varsity relay runners only are eligible for all conference recognition.

### **Golf - Boys and Girls: 7 members (4+3) (11/1994) (6/1998)**

Four (4) members of the all - conference team are to be determined as a result of being the top four (4) and ties in the conference meet. The remaining three (3) are to be selected from the list of nominees as submitted by conference coaches. However, golfers may be selected by conference coaches in case of injury/hardship to a worthy athlete, preventing him/her from competing in the conference meet. A coach may nominate a player from his own team. (Note: A coach may nominate a golfer from another school for all-conference honors in lieu of a golfer from his own school. (11/1992). From the list of nominees, the three (3) receiving the most votes (and ties) complete the seven (7) players on the all - conference team. Only seven total members of the all-conference team will be allowed. (5/2007)

### **Baseball and Softball: 13 members (10+3) (3/1994)**

Each coach may nominate only five (5) players from his own team. A player may be nominated as a pitcher or as a candidate for one of the other ten- (10) positions (not both). In order to help the other coaches make a decision on your players, please rank your nominee's one (1) through five (5) with one (1) being your best, and so forth. This ranking will appear on the final ballot with all the stats.

Nominating ballots must be returned to the baseball chairman by the Friday prior to the sectional. They should include all game stats, and every effort should be made to include the defensive stats of A, PO, E, and Pct.

From nominations received from the coaches, the chairman will make up and send to the coaches a final ballot with all the stats.

Each coach must vote for ten (10) players (regardless of position), plus three (3) pitchers who are not members of his team. A ballot that is not completely filled out will be invalid and tossed out.

The Coaches will rank their selections from one (1) to ten (10). The all conference players will be selected by the total number of ballot votes of the coaches. The point values will be used only in case of a tie for the tenth (10<sup>th</sup>) place or third (3<sup>rd</sup>) pitcher. Then, the coaches will go by total points received to break the tie in ballots. A first-place vote will be ten (10) points; second-place nine (9) points etc. For the pitchers, the points will be three-two-one (3-2-1). Hence, the order of coaches' choices may be very important.

The Chairman will tabulate the ballots.

## BIG 8 CONFERENCE

### **Girls' Basketball: 10 members (6/1993)**

1. Ten (10) members to be selected.
2. Each Coach will nominate up to three players from his/her team.
3. Each coach will vote 10 points for the best player; 9 points for the second best player through the 10<sup>th</sup> best player, who will receive "1" point.
4. Coaches do not vote for their own players.
5. All ballots will be tabulated and top 10 scores in the voting will be the all - conference team.

Note: In case of a tie for 10<sup>th</sup> place, the more "10-point" votes; then, "9- point"; then "8-point" votes, etc., would break the tie. If a tie still exists all coaches would vote on the tie players with coaches of all players involved in the voting.

### **Boys' Basketball: 10 members (6/1993)**

1. Ten (10) members to be selected.
2. Each Coach will nominate up to five players from his/her squad.
3. A ballot will be prepared by the Advisory Committee Chairperson and mailed to all coaches.
  - a. In voting, no coach may vote for his own player(s).
  - b. Each coach votes his top 10 players - "10" for the best "9" second best, etc., through "1".
  - c. These will be tabulated, and the 10 players with the highest point totals would comprise the all-conference team.
4. If a tie for the 10<sup>th</sup> position results, the player with more first - place; then second-place; etc., would be named.

Note: In case of a tie for 10<sup>th</sup> place, the more "10-point" votes; then, "9- point"; then "8-point" votes, etc., would break the tie. If a tie still exists all coaches would vote on the tie players with coaches of all players involved in the voting.

### **Swimming - Boys and Girls: All blue ribbons + 2**

All individuals winning blue ribbons (individual events and relays); and the extra "2" will be utilized if there is a tie, if two individuals break a conference record, and/or in case of injury to a worthy athlete, preventing his/her completing action in the conference meet.

### **Soccer - Boys and Girls: 17 members (15+2) (3/2008)**

1. Coaches shall meet at the All-District meeting to select all-conference members.
2. Fifteen (15) field players and two (2) goalkeepers will make up the all - conference team.
3. Each School will be allowed to nominate five (5) field players and one (1) goaltender.
4. Each coach will submit a list of nominees two weeks before the all - conference meeting. Ballots must be returned prior to the all - conference meeting. The rankings will be totaled at the all - conference meeting.
5. The Soccer Chairman will compile a list of nominees prior to the meeting.

**BIG 8 CONFERENCE**

**Soccer - Boys and Girls: 17 members (15+2) (3/2008) continued**

6. Coaches will vote and the totals will be compiled prior to leaving that meeting.
7. Coaches shall not vote for their own athletes.
8. When voting for all - conference members, each coach shall vote for fifteen (15) field players only, and then, vote for two (2) goalies only.
9. From the nominations received from the coaches, the chairperson will make up the final ballot. Each coach then will vote for 15 players not on his/her team numbering them in order of preference. Fifteen points will be awarded the No. 1 choice; 14 points the No. 2 choice, etc. The final ballots will be tabulated, and the top 15 point winners will comprise the all-conference team. Goal keepers - No. 1 choice, 2 points; No. 2 choice, 1 point. Ties will count for the top fifteen positions. All Coaches will cast a secret ballot to break any tie for the fifteenth position. The goalkeepers will be ranked in the same manner. The two goalkeepers with the highest point totals will be selected all - conference.

\*\*\*\*\*

No athlete is to be considered for all - conference honors if he or she does not participate in the conference meet unless otherwise specified in conference rule regarding specific sports. (11/1986 to an earlier motion passed 6/1984)

Coaches in each sport shall review and/or select each respective all - conference team in a meeting or at the conference meet or match: Cross Country - Boys' and Girls', Wrestling, Track - Boys' and Girls', Swimming - Boys' and Girls', Golf - Boys' and Girls' (11/1987 and 6/ 1988)

At a time other than the conference meet or event, a meeting shall be held to select all - conference teams for Football, Volleyball, Basketball - Boys' and Girls', Baseball, Softball, and Tennis - Boys' and Girls'. Said meeting should be at a reasonable time and not scheduled on a Sunday without Board approval. At the all - conference team selection meetings, there should be discussion and open voting with no secret balloting.

A school not having a representative at the all conference meeting will not be allowed to nominate players from their school to be on the all - conference ballot. Before the all - conference voting begins, a coach in attendance can nominate a player from the school not having representation to be on the all - conference team. That player can be put on the all - conference team only by unanimous vote of the coaches present. Player(s) would count toward the total number allowed on the all - conference team. (6/2006)

## BIG 8 CONFERENCE

The March meeting of the Board of Directors was called to order by Athletic Director Denny Lewis of Jasper. All schools were present.

---

The minutes from the November 10, 2010 meeting were presented. Motion to approve was made by Mt. Carmel and seconded by Princeton. Motion was unanimously accepted.

---

The Treasurer's Report for the 2010 - 2011 school year was presented. The present balance is \$3,065.10. Motion to approve was made by Princeton and seconded by Mt. Carmel. Motion was unanimously accepted.

---

### Old Business:

- A. A vote on the Cross Country Coaches proposal was taken. The coaches voting showed 6 votes in favor of keeping the start times the same & 6 votes in favor of moving the start time earlier. The AD's recommendation was to leave the start time "as is." Motion to leave the start time "as is" was made by Princeton and seconded by Mt. Carmel. Motion was unanimously accepted.
  
- B. Academic Bowl was discussed. Jasper presented a handout of the schedule for all schools. Students are to use the front entrance of the school and proceed to the auditorium. The host school is to provide the hospitality room. This cost is not shared between schools. Each school will pay the year they host. Mt. Carmel mentioned that their state's format for academic team is quite different than Indiana's and that it would not really be possible for them to compete.

### New Business:

- 
- A. Boonville High School will continue to print certificates and other conference publications. Rather than pay for the ink cartridges, the conference will pay \$.07 per copy. Mike Whitten will keep track of copies and pay Boonville High School for the printing. It is expected that this will save the conference money in the long run.
  
  - B. The conference summer meeting/dinner was discussed. Due to decreasing attendance, a motion was made by Mt. Vernon and seconded by Washington to no longer hold the summer meeting. Conference plaques and information can be relayed to AD's at their August meeting. Motion was unanimously accepted.
  
  - C. Due to Mt. Carmel not participating in the conference academic bowl, Mt. Vernon will host the event March 13, 2012.
  
  - D. Conference Dues will be suspended another year. Each school will be assessed a fee of \$200 in the fall. Invoices will be given out at the August AD's meeting. No by-law change will be made at this time. Motion to approve was made by Princeton and seconded by Mt. Carmel. Motion was unanimously accepted.
  
  - E. The boy's conference golf meet will be held at Christmas Lake on May 14th.
  
  - F. Corrections to next year's principal and AD contact sheet were made. Kevin Davis will be the new AD at Boonville and Andy Noblitt will be the new AD at Jasper.
  
  - G. A student exchange spreadsheet was passed out for approval. This will be used for the student council exchange each year. It will be placed in the conference handbook for future reference.
  
  - H. Motion to donate \$150 to the IIAAA annual conference was made by Boonville and seconded by Jasper. Motion passed 6 - 0 with Mt. Carmel abstaining.
  
  - I. IHSAA Soccer sectional alignment proposals were viewed and discussed.

## BIG 8 CONFERENCE

Old Business:

- A. No Old Business

New Business:

- 
- A. Conference All-Sports standings and All-Conference individuals were presented for review.
  
  - B. A "Coaches Code of Conduct" was discussed at the AD's meeting. No one has a policy at this time for certified or non-certified coaches regarding consequences for inappropriate behavior or conduct. The best 'policy' may be no policy. Jasper will continue to pursue this at a school level. If their efforts produce any success, they will bring it back to the conference for review.
  
  - C. Retiring Athletic Directors, Bernie Meyer - Boonville and Denny Lewis - Jasper, were presented with plaques and Life-time Big 8 passes to recognize their many years of faithful service to the conference and its student-athletes.

**Protocol for the Frosh – Soph games:**

A list of all juniors, who will be in uniform, will need to be faxed to the opposing school by 10:00 AM of the Thursday prior to the Monday of play. The head football coach and the athletic director must sign this list.

The list of juniors can be no more than 6.

The Big 8 approval form must be used and filled out completely.

The opposing school will fax the approved junior list back to the sending school by 10:00 AM Friday. The head football coach and the athletic director must sign the approved list.

**Frosh – Soph Guidelines:**

For this to work all coaches must use good judgment in the use or non-use of juniors. The reason to dress juniors is not a win at all cost decision. It is a decision to let some below average juniors participate in a football game. The reason to scratch a junior is not a decision based solely upon the winning or losing of the football game. It is a decision based upon preventing a potential physical miss match from occurring on the football field.
